### Get a Beautiful Vacation Home and Make Money Doing It!

**Go-to guide educates, informs, and offers centralized resources for people who want to invest in real estate but avoid the hassles of traditional real estate investing.**

In *GetawayX: Create Wealth and Income with Vacation Real Estate*, longtime investor Trevor Wisniewski explains how to acquire a beautiful vacation home and make money doing it. Simultaneously, he shows readers how to avoid the chaos typical real estate investments entail, including the hassles that always seem to accompany rental properties.

Wisniewski comments, “This is a money-making method that also allows you to create unforgettable memories with your family because you can use the property yourself.” He adds, “As unbelievable as it sounds, this method actually makes it fun to own an investment property!”

This comprehensive book explains step by step how to implement Wisniewski’s unique investment strategy and directs readers to free resources on his website. The author notes that his book appeals to novice and professional real estate investors alike.

*GetawayX* is especially invaluable for real estate agents in vacation destinations, who can use the book and website to help guide their clients through the process of buying and renting vacation homes.

Readers are strongly encouraged to utilize the book's free website, as the book and the website are designed to compliment each other. The technology and online tools that GetawayX.com provides are essential to effectively implement this real estate investment strategy. **AUTHOR:** Trevor Wisniewski has been investing in real estate for over two decades. Over the past twenty years, he has started several small businesses, real estate investment businesses, internet-based businesses, and a registered broker dealer that is a member of the Chicago Stock Exchange. During that time, he has also owned, managed, lease-optioned, and fixed-flipped single-family homes, condos, and vacant land. Since 1995, Trevor has worked in the finance industry as a managing partner of a broker dealer, a trading software developer, a financial advisor, and a proprietary statistical arbitrage equities and derivatives trader. Trevor has held a Michigan real estate sales license since 2002 and has a Bachelor of Science in Business Administration from Central Michigan University and a master’s degree in International Securities, Investment, and Banking from Reading University, England. He is a certified instructor for financial classes and has held many licenses.
